Students who are walkers or being picked up after school need to leave the school campus or be with their parent/guardian by 2:30 or they will be brought inside to make a phone call home.

Leopard Leaders: *The Leopard Leaders led a project to encourage global citizenship and helping others called "Facing the Difference Challenge" from the Students Rebuild Organization. 375 students submitted self-portraits that reflect their uniqueness and the diversity of our school. Each portrait led to a \$6 donation that goes to help children and families in areas affected by conflict around the world. That means our school raised \$2,250 to help others!*
