## Transcript Evaluation

The district recognizes the importance of transcript evaluation to determine the value of credits earned, number of years of school attendance and placement for students transferring to district schools from other public, private or alternative schools, or a Department of Defense Education Activity (DoDEA) school, including those who have been receiving home school instruction.

Transfer credits and attendance may be accepted or rejected at the discretion of the district consistent with Oregon law. Validation of credit may be required.

The superintendent will develop administrative regulations to implement this policy.
