Gang Activity

Gangs which initiate, advocate, or promote activities that threaten the safety or well being of persons or property on school grounds, or that disrupt the school environment are harmful to the educational process. The use of hand signals, graffiti, or the presence of any apparel, jewelry, accessory, or manner of grooming which, by virtue of its color, arrangement, trademark, symbol, or any other attribute which indicates or implies membership or affiliation with such a group, presents a clear and present danger to the school environment and educational objectives of the community are forbidden.

Incidents involving initiations, hazing, harassment, menacing, intimidation, and/or related activities of such group affiliations which are likely to cause bodily danger, physical harm, or personal degradation, or disgrace resulting in physical or mental harm to students are prohibited.

Any student wearing, carrying, or displaying gang paraphernalia, or exhibiting behavior, or gestures which symbolize gang membership, or causing and/or participating in activities which intimidate or affect the attendance of another student will be subject to disciplinary action including suspension and expulsion.

The superintendent may provide in-service training in gang behavior and characteristics to facilitate staff identification of students at-risk and promote membership in authorized school groups and activities as an alternative.
