Michael Clutter selected as John Wetten Principal

Michael Clutter will be the new principal of John Wetten Elementary starting in July. The father of three young children, he is a veteran educator who has served 18 years in the Reynolds District. He replaces Wendy Wilson, retiring in June after 10 years as principal.

Clutter’s leadership experience includes 4 years as principal of Woodland Elementary and 4 years as principal at Alder Elementary. Prior to that he spent a decade teaching first grade, second grade, and alternative high school classes.

“Michael is a natural collaborator, exceptional in his work with teacher teams,” said Superintendent Bob Stewart. “His passion for equity work and connecting with families will be an asset to our community.”

“I am grateful for the opportunity to serve as Principal at John Wetten and to continue the standard of excellence in education,” said Clutter. “My passion is helping students learn and grow as individuals, and I am excited to work with such a dedicated staff to ensure that our students reach their full potential.”

Swickard Honda donates to Gladstone High

Swickard Honda Managing Partner Brad Mugg and Sales Manager Beau Thomas present a check for \$2,500 to Gladstone High School Principal Kevin Taylor. Some of the funds will be used to support the Gladstone Food Pantry, which provides free groceries to homeless students and low-income families.
