Stacie Moncrief appointed to Gladstone School Board

The Gladstone School Board appointed Stacie Moncrief to fill an opening on the board after Sharon Soliday resigned in June.

A 13-year resident of Gladstone, Moncrief is an elementary school principal in the David Douglas School District. She has worked in education for 22 years and has two children attending Gladstone schools, a seventh grader and a fifth grader.

“It is critical that there is an alignment of district goals and a strong working relationship between the superintendent, administrators, teachers, and the community,” said Moncrief. “I am excited to support our schools and our community by serving on the Board.”
