

Chromebook turn-in required to prepare for fall reopening

Thank you to all who turned in school Chromebooks last week. Well done!

We still have about 150 Chromebooks that need to be returned. If you still need to turn yours in, **please label each device with the student's name & deliver it to the Gladstone District office** [17789 Webster Road]. **Gently place it [with cord] through the mail slot by the front door.** We will place a padded box there to gather drop-offs. It is important to collect all school Chromebooks so we can make sure they are repaired and sanitized for the reopening of school.

If your high school student still needs their Chromebook to complete course work, **please KEEP YOUR DEVICE** and email Principal Kevin Taylor [taylork@gladstone.k12.or.us] to let him know you have it.

Videos showcase the promise of Gladstone students

To celebrate the accomplishments, hopes, and dreams of our students, we want to share two special videos highlighting our kids. They are our future, and we can't wait to see what they will do next! [Run time is 2-3 minutes each.]
