

### **Gladstone High to honor veterans, military personnel**

Students at Gladstone High School will pay tribute to veterans and active duty military personnel at a Veteran’s Day assembly. Refreshments will be provided, along with musical performances by the school’s band and choirs

The event will take place on Thursday, November 7, at Gladstone High, located at 18800 Portland Avenue. Community members should check in at the school commons. For more information, call Toni DePeel at 503-655-2544, ext. 418.

### **Gladstone Schools reaches out with social media**

Gladstone Schools launched a Facebook page as a tool to inform parents, students, staff, and community members about school and district events, volunteer opportunities, education strategies, student projects, and other school news.

“The popularity of social media is growing at an incredible pace, especially among adults age 25 to 55,” explained Communications Coordinator Leslie Robinette. “Using this tool will provide one more way to encourage on-going, two-way communication so we respond to the needs and priorities of the community we serve.”

Community members can view the Facebook page on the Internet by going to:  
[www.facebook.com/GladstoneSchoolDistrict](http://www.facebook.com/GladstoneSchoolDistrict).

### **MEDIA ADVISORY:**

For the second year in a row, the Gladstone Robotics Club will host a regional robotics conference for youth teams preparing for competitions. FIRST Fare 2013.

The event will take place

**Saturday, November 16, 2013. 9 am to 3 pm.**  
**Gladstone High School - Fine arts and Applied Technology Wing.**  
**18800 Portland Ave. Gladstone, Oregon**  
**-97027-**

A new attraction this year, open to the public, is the Technology Pavilion that will give students the opportunity to explore companies and universities related to STEM (science, technology, engineering, and math), but also the chance to feel the excitement of the pits at a robotics competition.

For information, visit the event website at <http://firstfare.gladstonerobotics.com/home> or call Communications Coordinator Leslie Robinette at 503.974.5077.

Gladstone Schools boasts two active robotics teams—one at Gladstone High, and a brand new one at Kraxberger Middle School.
