The Board recognizes the importance of promoting parental input in decision making related to their student's health and general well-being, in determining district and student needs for educational services, in program development and district operations. The rights provided to parents under this policy, transfer to the student when the student turns 18 years of age~~d~~, or is an emancipated minor under applicable state law.

The superintendent or designee will ensure that activities requiring parental notification are provided as required by law and that reasonable notice of the adoption or continued use of this policy is provided to parents of students enrolled in district schools. The input of parents will be encouraged in the development, adoption and any subsequent revision of this policy.

See the administrative regulation for additional definitions.

The superintendent shall develop administrative regulations to implement this policy, including provisions as may be necessary to ensure appropriate notification to parents of their rights under federal law and district procedures to request review of covered materials, excuse a student from participating in covered activities and protect student privacy in the event of administration or distribution of a survey to a student.

2. “Covered survey items” means one or more of the following items: political affiliations or beliefs of the student or the student’s family; mental and psychological problems of the student or the student’s family; sex behavior or attitudes; illegal, antisocial, self-incriminating or demeaning behavior; critical appraisals of other individuals with whom respondents have close family relationships; legally recognized privileged or analogous relationships, such as those of lawyers, physicians and ministers; religious practices, affiliations or beliefs of the student or the student’s parent; and income, other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program;
3. “Covered activities” requiring notification under NCLBA means those activities involving the collection, disclosure or use of personal information collected from students for the purpose of marketing or for selling that information or otherwise providing that information to others for that purpose; the administration of any survey containing one or more covered survey items; and any nonemergency, invasive physical examination or screening that is required as a condition of attendance, administered and scheduled by the school in advance and not necessary to protect the immediate health and safety of the student, or of other students. This provision does not apply to physical examinations or screenings that are permitted or required by law, including physical examinations or screenings permitted without parental notification;
4. “Third parties” include, but are not limited to, school volunteers, parents, school visitors, service contractors or others engaged in district business, such as employees of businesses or organizations participating in cooperative work programs with the district and others not directly subject to district control;

7. “Invasive physical examination” means any medical examination that involves the exposure of private body parts, or any act during such examination that includes incision, insertion or injection into the body. It does not include a hearing, vision or scoliosis screening and does not apply to any physical examination or screening that is permitted or required by an applicable state law, including physical examinations or screenings that are permitted without parental notification.
