7. SUPERINTENDENT'S REPORT

a. Financial Report

The financial report as of June 30, 2016 will be presented to the School Board at this time. Samantha Nelson, director of finance and operations, reported the end of the year is looking as projected. She is pushing to have departments code items where they belong so that she can continue to learn the details of the budget needs. There was discussion about the new apartment complex vacancy time line. Mr. Stewart reported they are running behind and now projecting occupancy in 2017.

b. Property and Casualty Insurance

The Gladstone School District's property and liability coverage is through Property and Casualty Coverage for Education (PACE). PACE is the largest insurance pool of school entities in Oregon. It combines the resources of more than two hundred schools and other government entities.

Brown and Brown Northwest is the District insurance agent of record. For 2016-17 the premium is \$137,684, a 4.6% increase over 2015-16. Ron Cutter, Agent of Record, through Brown and Brown Northwest, was in attendance and share the current coverage and answer questions. Samantha Nelson, director of finance and operations, introduced Ron Cutter and his associate.

Mr. Cutter presented Gladstone School District summary of insurance for July 1, 2016 through July 1, 2017. Mr. Cutter gave an overview of the summary. There was discussion regarding Public Entity Liability and examples of coverage. Boosters are not covered through the District policy. He would be happy to direct the Boosters to a carrier if needed. Limits for earthquake may be increased through another carrier. However, it is costly and if there was a disaster FEMA would assist the community. The worker compensation MOD is stable so there is very little increase. He gave kudos to the safety committee. Mr. Cutter's professional opinion is that Gladstone School District coverage is comparable with surrounding districts and is well covered.
