

## Gladstone School District School Closure and Snow Route Information 2017-18

The decision to delay or close schools is made by the Superintendent and First Student Transportation between 4:30am-6:00am when the conditions are known to be perilous at that time. Weather conditions may change following that time frame and are therefore monitored through the morning hours. Our priority is to ensure the safety of your children so every precaution is taken when making these decisions in a timely manner. Rarely it is necessary to close school. When extreme weather emergencies, power outages, or other conditions make it impossible for the school to stay open, local media will be notified. Should the weather look so bad that you suspect school might be closed or have a delayed opening, please refer to local media stations, or visit the District website [gladstone.k12.or.us](http://gladstone.k12.or.us) rather than calling the school. In addition you can register at [www.FlashAlert.net](http://www.FlashAlert.net) and will receive instant email alerts, at up to 5 email addresses, of any school closure or emergency information posted by the school district. Below is how you register:

- Navigate to [www.FlashAlert.net](http://www.FlashAlert.net) and click on "Manager Your Messenger Subscription"
- You can either Login OR click on "Create New Account"
- Click on "Portland/Vancouver/Salem"
- Type in "Clackamas Co. Schools" or click on it from the menu
- Select "Gladstone Sch. Dist."
- Enter primary email address
- Click "Subscribe"

### GLADSTONE SNOW ROUTES

If the School District is operating on "Snow Routes" and your road is listed below, plan to catch your bus at the alternate bus stop as listed. This applies to the small mini buses also. If your bus stop is on a steep part of a road that is traveled on snow routes, plan to catch the bus where it can safely stop and start again. If your stop is not listed below then the bus will pick you up at your regular scheduled stop.
